

F.J. Bosworth & Sons

Spains Hall, Willingale, Ongar, Essex CM5 0QE.

- **Established Pig and Arable farming business situated in central Essex.**
- Family partnership that has been breeding and finishing pigs since 1919.
- **Pig keeping skills passed down through three generations of the Bosworth family.**
- Stuart, his father and his grandfather have each won nationally recognised awards for pig keeping.

- **Efficient Production - Key Performance Indicators matching the best farms in Europe.**
- **Employing a dedicated team of three trained stockmen committing over 60 years' pig-keeping experience to F.J. Bosworth & Sons.**
- Complete traceability of production inputs, including our own crops grown to make feed on farm for the pigs, our unique genetic breeding programme, our strict protocols for producing healthy pigs, our innovative production management to produce Red Tractor Quality Assured pigs for sale as efficiently as possible.
- **Environmentally sustainable business through recycling nutrient-rich pig slurry onto growing crops, and use of solar generated electricity on the farm.**
- Committed to reducing food miles by supplying our pigs to local businesses.
- **Farm tours available by appointment for customers and supply chain partners**

• **Essex County Farms Competition Winners 2016**

Approved Pig Farm

Part of the Red Tractor Assurance chain
